I, [redacted], Special Agent, Federal Bureau of Investigation, being duly sworn, make the following statement: b6 b7C

On March 31, 1973, at approximately 4:40 AM, I received a telephone call from Special Agent ROY MARTIN MITCHELL. Special Agent MITCHELL advised me that he had been released on bond at the 18th District, Chicago Police Department, 154 West Chicago Avenue, Chicago, Illinois, following his being arrested on traffic violations.

Special Agent MITCHELL advised Chicago Bureau car 151 was the car he was driving at the time of the incident and that Chicago Police Officers would not allow him to return this car to the Chicago Office.

I immediately proceeded by taxicab to the 18th District, Chicago Police Department where I met Special Agent MITCHELL outside the district station. Special Agent MITCHELL and I then proceeded by taxicab to the 1700 block North Clark Street and located Bureau car 151. This car was parked in a legal area at curb side with a flat tire. The tire was then changed at a Standard Oil service station located at this address.

Upon completion of the tire change Special Agent MITCHELL and I returned to the Chicago Office in Bureau car 151, with me driving.

I did not observe Special Agent MITCHELL to be in other than a normal condition during this period of time.

I, [redacted], Special Agent, Federal Bureau of Investigation, assigned to the Joliet Resident Agency, Joliet, Illinois, being duly sworn, make the following statement: b6 b7C

Some time during the afternoon of March 30, 1973, I received a telephone call from the C-6 Supervisor, [redacted], that a communication had been received from the Cleveland Office advising that process had been obtained on a Bureau fugitive, one [redacted] - Fugitive, UFAP - Burglary, Larceny, Shooting With Intent to Kill, OO: Cleveland, [redacted] The Cleveland Division advised that subject was believed to be residing with one [redacted] Frankfort, Illinois. b6 b7C

In view of the fact that subject was considered armed and dangerous and was being sought for shooting with intent to kill, I requested and received assistance of all the agents assigned to the Joliet, Illinois Resident Agency.

During the early and late evening hours of March 30, 1973, agents of the Joliet, Illinois Resident Agency conducted investigation in an attempt to locate and

apprehend [redacted] and in an attempt to locate the [redacted] Ford Cobra which investigation had developed that [redacted] was driving. All local law enforcement agencies were advised of subject's fugitive status and investigation was initiated to check all motels, hotels, train stations, taverns and parking lots in the Joliet, Illinois area and environs including New Lenox and Frankfort, Illinois. b6 b7C

As the evening wore on subject was not located and it was agreed upon that if subject was not located by midnight, we would continue the surveillance on [redacted] residence in Frankfort, Illinois on Saturday, March 31, 1973.

Special Agent [redacted] volunteered to take the early morning surveillance on Saturday so he left the area and was replaced by Special Agent ROY MARTIN MITCHELL. b6 b7C During the evening hours of March 30, 1973, several radio communications were had by, and overheard by me and other Joliet Agents to and between Special Agent MITCHELL in Bureau car 151. I left the surveillance of the vicinity some time before Midnight, exact time unrecalled, on March 30, 1973, with the intention in mind that the surveillance would be continued the following day. b6 b7C

It should be noted that Bureau fugitive [redacted] b6 b7C [redacted] was apprehended without incident by Bureau Agents at approximately 9:18 AM, on Sunday, April 1, 1973, at Frankfort, Illinois.

During the last week of March, 1973, I assisted Special Agent MITCHELL in several fugitive investigations and had in fact apprehended a deserter fugitive assigned to Special Agent MITCHELL, one [redacted]. In conjunction with the assistance that I was giving to Special Agent MITCHELL, Special Agent MITCHELL advised me sometime during the afternoon hours on Thursday, March 29, 1973, that since I live in [redacted] Illinois, I might receive a call during the early morning hours of March 30, 1973, regarding a fugitive investigation concerning one [redacted], a Bureau fugitive wanted for [redacted] [redacted]. Information had been developed that [redacted] might b6 b7C return to the residence at [redacted] Illinois, and MITCHELL would be conducting investigation in the area and might need my assistance.

PERSONNEL MATTER

Purpose of this memorandum is to set forth details concerning the apparently unwarranted arrest of SA Mitchell by a Chicago police officer for driving an unsafe vehicle and for driving while under the influence. SA Mitchell has been working for the past year in an investigation concerning Chicago police officers involved in an execution squad (2 police officers currently under indictment and others under investigation), is well known to the Chicago Police Department (CPD), and on many occasions in the past has been the victim of harassment on the part of various police officers. This situation has been previously brought to the attention of CPD officials who have issued instructions to cease this type of activity. Commander, Chief of Detectives, and First Deputy Superintendent, CPD, have all apologized and expressed regret over the arrest of SA Mitchell and advised that immediate steps would be taken to see that no further harassment was taken against SA Mitchell. They indicated the arresting officer would be admonished for his action on this particular occasion. However, these 3 officials and SAC agreed that the best way to handle this current situation in order to avoid allegations of a "cover-up" would be to let SA Mitchell appear in court and explain his story to the judge. All officials believed the driving while under the influence charge would be dismissed and probably the operating an unsafe vehicle charge would be dismissed. Court date is set for June 7 in Chicago Traffic Court.

67-74640-102

Investigation was conducted in this matter by SAC, appropriate records were checked concerning SA Mitchell's activities during the pertinent periods, and signed statements were obtained from SA Mitchell and 5 other Agents who were engaged on an investigative assignment with SA Mitchell on the day in question. An AUSA who had dinner with SA Mitchell that evening was also interviewed. There is no indication whatsoever that SA Mitchell's version of the incident, as set forth below, is other than factual.

MAY 2 1973

SA Mitchell advised that he arrived at the Joliet, Ill., RA at 3:15 a.m., 3/30/73, in order to prepare dictation, check for an armed and dangerous fugitive, and prepare for a conference with an AUSA on that date. He departed Joliet 1 p.m.

same date and attended a conference with the AUSA in Chicago until about 5 p.m. At 5:30 pm he and the AUSA had dinner at a local restaurant where SA ~~Martin~~ consumed 2 alcoholic drinks. They departed the restaurant about 7 p.m. and SA Mitchell proceeded to the Joliet RA where he joined other Resident Agents in an attempt to locate an armed and dangerous FBI fugitive. He arrived at Joliet about 9 p.m. and concluded the investigation at about 12:15 a.m., 3/31/73. Other Agents verified his participation in this investigation. He arrived home shortly after 12:15 and telephonically contacted a witness in connection with the investigation concerning the CPD at about 12:30 a.m. He states the contact was made at this hour at the request of the witness who was fearful of harassment by the CPD. The witness requested that she talk to SA Mitchell personally as she had some information and felt that the CPD might be listening to the phone conversation. SA Mitchell thereupon departed his residence en route to Chicago at about 1:15 a.m. He advised that he has never contacted this female witness alone and it has been his practice upon arriving in the vicinity of her residence to telephonically contact another Agent to assist him in the interview. While en route to the witness's residence on [redacted] b6 b7C b7D Chicago, at approximately 2:15 the right front tire of the Bureau vehicle blew out and the vehicle scraped against a retaining wall. The damage was estimated to be less than $100. In view of heavy traffic conditions SA Mitchell turned on a portable flashing red light, pulled to the right as far as possible and proceeded slowly to the next exit which was several blocks away, where a service station was located.

Upon arrival in the service station a Chicago police vehicle pulled in behind him, ordered him out of the vehicle and to place his hands on the roof of the car. He identified himself to the officer but the officer ignored this identification. He complied with the officer's requests in order to avoid any public display. The officer then advised him he was being placed under arrest for driving an unsafe vehicle and would pay no heed to SA Mitchell's explanation that in his judgment and in view of the heavy traffic on the expressway he exercised good judgment in removing the vehicle to a safe area. The officer then asked why SA Mitchell's eyes were red and he replied that he had been working since 3 a.m. the previous day. The officer ?? then asked SA Mitchell to take a breath-o-lizer test and SA ~~Martin~~ MITCHELL replied there was no reason for same and refused to submit. The officer then stated that he was charging him with driving while under the influence. He was taken to the police station, booked, and posted bond. Conversation by SA Mitchell with the partner of the arresting officer indicated that this officer did not want to participate in the proceedings and did not know why the arrest was made. Another officer at the station made the statement "I hear we finally got an FBI Agent. What for?" SA Mitchell returned to the service station with another Agent whom he had called and they drove the vehicle back to the Chicago Office. It is noted that while the service station attendant was changing the flat tire the arresting officer drove by this station 10 or more times. SA Mitchell promptly reported the incidents set forth above to his supervisor at 9 a.m. on 3/31/73.

Memo Feeney to Callahan
Re: SA Roy Martin Mitchell; Personnel Matter

This situation appears to be the direct result of harassment by a Chicago police officer or over zealousness on the part of the arresting officer who has been described by his superior as an extremely aggressive police officer. His superior advised SAC that this officer sometimes takes things on himself when he should consult his superior and is difficult to control. Concerning SA Mitchell's refusal to take the breath-o-lizer test it is noted that he is filing a motion with the Circuit Court, Cook County, Ill., advising that his refusal was because there was no probable cause for the test to be administered to him. A Cook County judge has indicated that this reason is generally accepted by the courts for not taking the test. Failure to take the test is not prima-facie evidence of guilt for driving while under the influence as Illinois law allows a person 28 days to file a motion with the court showing cause why he refused to take the test, as SA Mitchell has done.

One disturbing factor involved is that the supervising judge, Cook County, has advised that he has been informed of the arrest of SA Mitchell and has also received information that [redacted] b6 and presently under Federal indictment charging him with various felonies while b7C [redacted] has obtained copies of the traffic citations issued to SA Mitchell. [redacted] after his indictment but was [redacted] by local court order. He has the reputation of being extremely vindictive regarding FBI Agents because of his indictment and tends to blame the FBI rather than his own illegal activities for his predicament. This information has been made available to the First Deputy Superintendent, CPD, who advised that steps would be taken to insure that [redacted] would make no use of the information he obtained concerning this incident.

RECOMMENDATION:

That this matter be closely followed. You will be promptly advised of the results of the June 7 court hearing.

Memorandum T. J. Feeney to Mr. Callahan 4/12/73, captioned as above, furnished the details concerning the arrest of SA Mitchell. Your note was, "I want Inspector Mintz to be fully aware of this and to discuss our proposed procedure with Department of Justice." b6 b7C

I reviewed the facts presented and examined the Illinois law. It should be noted that the Illinois Motor Vehicle Code, Chapter 95 1/2, Section 11-501.1, is an implied consent law under which SA Mitchell's driver's license might be suspended due to his refusal to take the breath analysis test for alcohol.

REC-150 67-574640-103

I discussed the proposed handling of this matter with Harold Shapiro, Deputy Assistant Attorney General, Criminal Division. He said he agreed that the Agent should appear in traffic court and offer his defense and that other means for resolving the matter should not be attempted. Mr. Shapiro recommended that the Agent contact the United States Attorney in Chicago and request the United States Attorney to provide him legal assistance in view of the fact the Agent was on official duty at the time of the incident. Attached is a proposed teletype to Chicago instructing that SA Mitchell contact the United States Attorney and request appropriate assistance.

PERSONNEL MATTER

Mr. Feeney to Mr. Callahan memorandum 4/12/73 (attached) points out that captioned Special Agent was arrested by a Chicago police officer on 3/31/73 for driving an unsafe vehicle and driving under the influence. Investigation revealed the unsafe vehicle charge was based on the fact that SA Mitchell's Bureau vehicle had blown a right front tire, and he had driven to the nearest exit prior to having it fixed. It was determined that the driving under the influence charge was based on his refusal to take a breathalyzer test, which he refused to do as he thought there was no reason for same since he had only consumed 2 alcoholic drinks several hours earlier that evening.

It was determined that the driving under the influence charge appeared to be unjustified and the result of harassment by the Chicago police officer. SA Mitchell had been working for the past year in an investigation concerning Chicago police officers involved in an execution squad, is well-known to the Chicago Police Department (PD), and on many occasions in the past has been the victim of harassment on the part of various Chicago PD officers.

It was felt to be in the best interests of the Bureau for SA Mitchell to appear in court to answer the charges, and this matter was discussed with the Criminal Division of the Department. The Department recommended that the United States Attorney in Chicago be provided with full details and that he should provide defense for SA Mitchell based on the fact that he was on official duty at the time of arrest and in view of the allegation of harassment by the Chicago PD.

Memorandum Feeney to Walsh
Re: SA Roy Martin Mitchell

SA Mitchell appeared in traffic court, Chicago, Illinois, 8/13/73 on the above charges, and the judge held that SA Mitchell was justified in not submitting to a breathalyzer examination. He was found not guilty on the charge of driving under the influence, but was found guilty on the charge of driving an unsafe vehicle and was fined $25 plus court costs.

In view of the circumstances surrounding his operation of the unsafe vehicle i.e. that he had a blowout and in his judgment the safest way to handle the situation was to remove the vehicle from the highway by driving to the nearest exit, which he did, it is not felt that administrative action is warranted.

Trial of the subjects in captioned case completed Sunday, August 5, 1973, with return of a verdict of guilty for subject [redacted] and subject [redacted], and an acquittal for subject [redacted]. This verdict was the culmination of a nine-week trial before Judge PHILIP W. TONE in USDC, Chicago. The trial in this case was extremely involved and necessitated almost continuous last minute investigation on the part of the two agents handling this case. These two agents, SA MITCHELL and SA [redacted], worked almost every weekend during the trial and every night after the court action was completed for the day. They underwent many hardships

and displayed outstanding dedication to duty and professional ability in overcoming the daily obstacles that arose in this trial. SA MITCHELL spent more than two days on the witness stand, most of which was cross examination of him on the part of 4 defense attorneys. SA MITCHELL stood up under this continuous questioning in a most outstanding manner.

SA [redacted] sat at the counsel table with the AUSAs trying this case and afforded them invaluable assistance due to his extensive knowledge of the workings of this case. b6 b7C

It is realized that both SAs MITCHELL and [redacted] received an Incentive Award in the [redacted] case at the time [redacted] and [redacted] were arrested due to their outstanding investigative efforts and dedication to duty in building a prosecutable case under most trying circumstances against the subjects. It is felt, however, that they are again deserving of an Incentive Award because of the extreme difficulties overcome by them during the trial. Many of the witnesses in this particular trial were persons of questionable character; many of them did their utmost to avoid being served subpoenaes and appearing as witnesses. Every witness was located through the efforts of the two agents and appeared in court.

The case file in the Chicago Office consists of 32 volumes and both SA [redacted] and SA MITCHELL had made such a complete study of that file that they were able to immediately put their hands on any document requested by the court or by the prosecuting attorneys. Their knowledge of the investigation and of the persons involved was absolutely outstanding. The combination of their dedication to duty and their ability, and the time spent in preparing for the trial were directly responsible for the conviction of [redacted] who is a vicious murderer and [redacted] who is a vicious narcotic peddler. It must be realized that [redacted] was convicted of kidnaping and murder and he and his attorneys were fighting for [redacted] life and threw every obstacle imaginable in the way of the Government's prosecution. All these obstacles were overcome to successfully convict [redacted]. b6 b7C

It is recommended that both SA MITCHELL and SA [redacted] be granted an Incentive Award in view of the above. b6 b7C

OVER

ADDENDUM GENERAL INVESTIGATIVE DIVISION TMG:bap 8/15/73

The SAC, Chicago, has recommended incentive awards be granted to Special Agents [redacted] and Roy Martin Mitchell for the performance in connection with the investigation of this major Civil Rights case involving the murders of several black narcotics dealers by a former member of the Chicago Police Department at the time he was still an officer. The SAC notes that both Agents received an incentive award in this case at the time the subjects were arrested; however, feels they are again deserving of another award due to the extreme difficulties overcome by them during the subjects' trial. b6 b7C

The General Investigative Division concurs with the comments of the SAC, Chicago, regarding the outstanding performances of these two Agents in connection with the successful prosecution of this case; however, in view of the prior incentive awards received by them, it is instead recommended they be furnished with individual letters of commendation for their efforts.

The SAC, Chicago, recommends four Special Clerks, two clerks and one stenographer for individual letters of commendation from the Director for their outstanding performances in connection with a major Civil Rights case successfully investigated by Agents of the Chicago Office from 1/19/72 until 8/5/73.

The General Investigative Division concurs with the recommendations of the SAC, Chicago.

EMPLOYMENT AGREEMENT

As consideration for employment in the Federal Bureau of Investigation (FBI), United States Department of Justice, and as a condition for continued employment, I hereby declare that I intend to be governed by and I will comply with the following provisions:

(1) That I am hereby advised and I understand that Federal law such as Title 18, United States Code, Sections 793, 794, and 798; Order of the President of the United States (Executive Order 11652); and regulations issued by the Attorney General of the United States (28 Code of Federal Regulations, Sections 16.21 through 16.26) prohibit loss, misuse, or unauthorized disclosure or production of national security information, other classified information and other nonclassified information in the files of the FBI;

(2) I understand that unauthorized disclosure of information in the files of the FBI or information I may acquire as an employee of the FBI could result in impairment of national security, place human life in jeopardy, or result in the denial of due process to a person or persons who are subjects of an FBI investigation, or prevent the FBI from effectively discharging its responsibilities. I understand the need for this secrecy agreement; therefore, as consideration for employment I agree that I will never divulge, publish, or reveal either by word or conduct, or by other means disclose to any unauthorized recipient without official written authorization by the Director of the FBI or his delegate, any information from the investigatory files of the FBI or any information relating to material contained in the files, or disclose any information or produce any material acquired as a part of the performance of my official duties or because of my official status. The burden is on me to determine, prior to disclosure, whether information may be disclosed and in this regard I agree to request approval of the Director of the FBI in each such instance by presenting the full text of my proposed disclosure in writing to the Director of the FBI at least thirty (30) days prior to disclosure. I understand that this agreement is not intended to apply to information which has been placed in the public domain or to prevent me from writing or speaking about the FBI but it is intended to prevent disclosure of information where disclosure would be contrary to law, regulation or public policy. I agree the Director of the FBI is in a better position than I to make that determination;

(3) I agree that all information acquired by me in connection with my official duties with the FBI and all official material to which I have access remains the property of the United States of America, and I will surrender upon demand by the Director of the FBI or his delegate, or upon separation from the FBI, any material relating to such information or property in my possession;

(4) That I understand unauthorized disclosure may be a violation of Federal law and prosecuted as a criminal offense and in addition to this agreement may be enforced by means of an injunction or other civil remedy.

I accept the above provisions as conditions for my employment and continued employment in the FBI. I agree to comply with these provisions both during my employment in the FBI and following termination of such employment.

re: Special Agent Roy Martin Mitchell,
Chicago, Illinois office.

Dear Richard:

Some time ago we did some soul searching in weighing the prosecutive merits of what was an extremely difficult case. It is not enough to now congratulate you on the excellence of your staff and agents and cite as evidence of that the recently successful prosecution of United States of America v. [redacted] et al. I know you and your staff must take great pride in a difficult job extremely well done. Over and beyond that, I feel compelled to remark upon the exceptionally high caliber of excellence demonstrated by Special Agent Roy Martin Mitchell during the approximately 16 months he invested investigating, interviewing, and attending the trial of this case. b6 b7C

Both from my Assistants and from first-hand observation I have come to have the highest regard for Special Agent Mitchell. He has demonstrated, time and again, the ultimate virtues of honesty, integrity, diligence, patience, devotion, ingenuity, etc., in the incredibly difficult task of investigating this case and assisting in its preparation for trial.

In hours alone he did the work of a team of agents. Whether the call came by day or night, Mitchell was not only there, he was there with a solution.

One of the more momentous problems was the nature of some of the witnesses. Reluctant, hesitant and nervous witnesses felt at ease with Roy. Some refused to talk to my Assistants until Agent Mitchell appeared.

From every standpoint, United States of America v. [redacted] was a landmark prosecution. But for Special Agent Mitchell's foresight and development there would have been no case. b6 b7C

I commend you and Special Agent Mitchell for the excellence, devotion and incredible talent and skill he exemplified in the finest tradition of the FBI.

Very truly yours,

Both parties were harassed after their roles became publicly known as a result of the trial. The U. S. Attorney has advised that but for SA Mitchell's foresight, there would have been no case.

SAC, Chicago, has advised that [redacted] activity as an informant has enabled the Bureau to fulfill its responsibilities in both the criminal and security fields and saved the Bureau thousands upon thousands of investigative man-hours. SAC advised that due to the highly valuable and sensitive nature of information furnished by [redacted] SA Roy Martin Mitchell, who was handling the informant, had expended certain monies for [redacted] without going through proper channels, obtaining proper receipts or being reimbursed therefor. SAC has recommended that an award of [redacted] be given to SA Mitchell and that some arrangement be made possibly [redacted] b3 b6 b7C b7D

It is not felt that [redacted] should be made to [redacted] in view of the above. However, it is felt that SA Mitchell should be reimbursed for the monies that he expended on behalf of [redacted] while utilizing him as an informant, all of which was expended in the best interests of the FBI. Special Investigative Division, which handles informant matters, is in agreement that SA Mitchell should be reimbursed for these expenses. Voucher Statistical Section, Computer Systems Division, has reviewed this matter and advises that the notarized statement signed by the informant and submitted by the Chicago Office is sufficient documentation to allow them to reimburse SA Mitchell in full for the amounts claimed therein. Computer Systems states that it appears evident that the amounts expended by SA Mitchell were in behalf of the U. S. Government in order for him to continue to utilize the services of an informant who was furnishing valuable information to the FBI on a continuing basis. b7D

It is further believed that SA Mitchell should be reminded by letter from the Bureau that there are established procedures which must be followed by all Special Agents handling informants and that he should be governed by same in the future.

RECOMMENDATION:

Dear Sir:

I would like to take this opportunity to both thank you and commend your personnel for the excellent police school held during the month of January, 1974, at Crete, Illinois.

Deserving a special commendation is SAC Richard Held in his administrative capacity and SA [redacted] who supervised the program. Also deserving commendation are the instructors, Special Agents [redacted] and Mitchell. b6 b7C

Because of this school and the extraordinary services rendered by SAC Held and his staff, participants in the school are in a much better position to carry on their law enforcement duties. Moreover, the knowledge gained from the instructors can now be passed on by the participants to their fellow officers. The school was most helpful and beneficial in thsi regard and was extremely rewarding.

The effort put forth put forth by SAC Held, SA [redacted] and the instructors is highly deserving of commendation and I urge you to continue to support this most noteworthy program. b6 b7C

I am sure I speak for all who participated in the school when I say thank you and express my hope that the F. B. I. continue this excellent program, which is but another fine service provided by the F. B. I. to local law enforcement agencies.

FROM : Legal Counsel

SUBJECT: SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

Reference SSC request dated 2/18/76.

The SSC requested to interview Special Agents [redacted] and Roy Martin Mitchell regarding investigation of the Black Panther Party in Chicago. The SSC was furnished the following documents: memorandum SAC, Chicago to Director, FBI, 12/18/68; memorandum SAC, Chicago to Director, FBI, 1/13/69; memorandum SAC, Chicago to Director, FBI, 3/4/69. The SSC requested interview with these three Agents, and also the names of other FBI personnel responsible for the preparation of the above-mentioned documents. Inasmuch as these three Agents are currently involved in civil litigation with the Black Panther Party in Chicago, the Department has determined the SSC would not be allowed to interview these Agents at this time. The Department has offered to furnish transcripts of the testimony of these Agents to the SSC as it is available. b6 b7C

Contact with [redacted], Assistant Special Counsel for Intelligence Activities, U. S. Department of Justice, indicates that he is of the opinion that SSC should not be furnished with any additional names of Bureau Agents involved in the investigation of the Black Panther Party in Chicago. This matter is currently being litigated in a civil trial in Chicago, Illinois. b6 b7C
